CERTIFICATE IV IN MENTAL HEALTH

Developing skills to make a difference in the community.

COURSE DESCRIPTION

This course is designed for individuals seeking a career providing support to people affected by mental health issues and psychiatric disabilities.

Our students develop the skills needed to empower people with mental illness to lead their lives at full potential and achieve their goals. Learn how to successfully implement community-based programs and activities focused on mental health, mental illness, and psychiatric disabilities.

Upon successful completion of all assessment activities, learners will receive a nationally recognised qualification:

Certificate IV in Mental Health, CHC43315

To achieve this qualification the candidate must complete at least 80 hours of work placement and observations.

COURSE DURATION:

12 Months (option to fast track)

DELIVERY MODE:

Face to Face and/or Zoom - Blended

ENROLLING NOW! ROLLING START
